

DST- INSPIRE -2016 is to be conducted from 20.08.16 to 24.08.2016. This camp is being conducted for meritorious plus one students to inculcate a scientific temper in the school students to take up basic sciences as their career. We have been conducting this camp for the past five years in which more than 550 students from 25 schools have benefitted so far. We are proud to inform that Dr. Mylsamy Annadurai is going to inaugurate this DST-INSPIRE Camp 2016. Various mentors from various institutions like IIT Chennai, IISc Bangalore, BARC Mumbai, ISI Chennai, NIO Goa, CCMB Hyderabad and Salim Ali School of Ecology, Pondicherry. The participating students were exposed to various industrial visits and also given hands -on-training in various subjects viz Physics, Chemistry, Botany, Zoology and Geology .
